MEMORANDUM FOR: Information Processing Coordinator, DD/S

SUBJECT : Information Processing

REFERENCE : Your Memorandum dated 26 May 1969, Same Subject

1. The attachments to the reference were reviewed and revised to reflect the current status of the various computer systems and applications. The revisions made necessary certain changes in the Data Processing Equipment Inventory.

2. Attached are the revised copies which resulted from the review. It should be noted that the Automatic Routing Line Segregation Program (ARLS) should be dropped from your inventory. The system was never operational and was not accepted from the manufacturer. The OSACOM application should be referred to DD/S&T (OSA) for review. It is not an Office of Communications application or requirement.

3. It is recommended that your copies of the attachment to the reference be destroyed as they contain erroneous data which could perpetuate this incorrect information in future reports.
